Notes:

1. Because a thesis (dissertation) forms part of degree examinations and degree conferral, it equates to an examination sheet. The University has a responsibility to keep it safe.
2. According to Article No.16 of the Regulations for MA Degree Examinations (summarized as): “A graduate student should send one volume of his (her) thesis (dissertation) to the University for permanent archiving....” Based on the resolution by the academic affairs meeting in September, the first semester of 2013, the University does not agree to the alumni to replace his (her) thesis (dissertation).
3. For the sake of academic ethics and copyright protection, the alumni (writer) of the thesis conferred with a degree agrees that if (s)he discovers errors, omission, and other mistakes without influencing the original structure and contents of the thesis later, (s)he agrees to present them in the corrigenda.
